Ken Risch talked about the production of the play "Servant of two masters." He said it was family entertainment and described the story by Goldoni. It is a play of confused identity and misunderstandings. The set of the play is Venice and incorporates other elements giving a carnival atmosphere. The entire cast is from the UAF campus including Lori Roland, Steve Domanski, Kim Christopher, and Chris Arnbrest. Jayna Orchard is doing the costuming. Walter Ensign is doing the lighting who is also designing the set. Risch said the play is a puzzle like many others from that period.
