Historical Places & Cemetery Sites

Field Investigator/Interviewer:

We need your help in gathering information about the Native historical and cemetery sites in your area. This information will help us to prepare reports necessary for conveyance of these sites to your Regional Corporation. This will help insure that they can be preserved in the future.

We would like to tape record this information to insure an accurate report. We would also like to use your name and any photographs taken of you at the actual sites.

If you agree to help us in this important project, please indicate so by signing your name in the space below.
