Dear Mrs. States:

Alaska Video Productions, Inc. is pleased to donate the following four video tapes on William Egan to the Oral History Department at the University of Alaska in Fairbanks to be added to your collection with the restrictions on use as indicated:

1. 1 tape which is a documentary on the 25th Anniversary of of Alaska Statehood
2. 1 taped interview used to prepare that documentary
3. 1 tape of memories of William Egan and documentary of his life
4. 1 taped interview used to prepare documentary on the City of Valdez

We would like these materials to be made available for researchers to view them and for scholarly use. This would include short written quotes and for referencing purposes. This release does not allow broadcasting on television, cable, radio or similar broadcast. Any use for these purposes would have to be cleared through Alaska Video Productions, Inc. prior to use. Any duplication would have to be for educational purposes only, (ex. classroom viewing) and not be for profit.

We hope the Oral History Department staff and researchers find the video tapes useful as you gather information about Alaskan history.

Cordially,
