Dear Ms. Jennings,

RE: St. George School Library ILC-94-040-113 Bilingual Interlibrary Grant.

Please find enclosed the State Library set of of "Unangam Awakening".

I have attached a copy of the final narrative report, which has been sent to our School District Finance Officer - Ms. Tammy White. Ms. White is completing the final budget report and will be sending the final budget report and narrative to your office in the very near future.

It has been a pleasure to have had the opportunity to bring these valuable books alive with translations on cassette by Father Paul Mercurief.

We realize that the deadline for this years ILC grants has passed and we did not recieve this years grant applications. However, we have a bilingual library project in mind for FY96 and would like to have the application forms mailed directly to the library at St. George. Unfortunately, the District Office for the Pribilof School District is on another island, and we do not always receive grant information which comes available.

Please forward all future Library and Bilingual grant information to:
Ms. Joyce Hannan
Librarian
St. George School,
St. George Island. 99591 AK.

My husband and I will be leaving St. George this year, however, there are staff and teachers in our school who would like to apply for more library & bilingual grants.

Kindest regards,

Dianna McGlashan-Fornasier.
Counselor/Librarian.
