Unalaska City School District

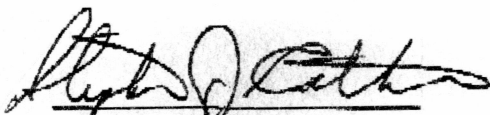

[This agreement superceded by blanket license agreement dated 4-29-16. RLR 6-28-16]

December 10, 1997

I, Stephen Cathers, on behalf of the Board of Education of the Unalaska City School District agree to deposit but not relinquish ownership of the tapes from the Cuttlefish Project with the University of Alaska Fairbanks Oral History Program with the following understanding:

1. The UAF Oral History Program will archive the original reel-to-reel tapes for the Unalaska City School District;
2. The UAF Oral History Program will make audiocassette copies of the original tapes for the Unalaska City School District;
3. The UAF Oral History Program will, as is its current policy, make copies of the tapes free of charge for the narrators and their families;
4. The Unalaska City School District agrees to assist the UAF Oral History Program in contacting the families of the narrators in order to get release forms from them;
5. The Unalaska City School district agrees to allow the UAF Oral History Program to make copies of the tapes for students, scholars, and members of the general public for scholarly and educational purposes.
6. No matter what the Unalaska City School District ultimately decides to do with the tapes, the UAF Oral History Program will be allowed to retain its copies of the Cuttlefish Project tapes and to make said copies available to students, scholars, and members of the general public for scholarly and educational purposes.

Stephen J. Cathers
